

Thanks I picked it up. Just done the purchasing of food. Ready to travel tomorrow to Kisumu City. Yah shall glorify Himself there. Thanks to mom Pam for letting me know that saints over there are meeting to pray for my ministry here. Praise the LORD. Thank you. Tell them their prayers are fruitful. Tell them Africa is turning upside down. Christianity is transforming into messianic faith. He is restoring His Hebrew names and I see many now calling Him by those holy names. Thank you. Thank you again.

Yahusha comes soon
