

Had a great meeting. Yah manifested His power and There were many healings And deliverances. After speaking, the LORD took over and nobody remained seated or standing. The glory of Yah was soon heavy in the field. The auditorium was too small. These were over 200 pastors gathering. They were filled and spoke in new tongues. They are planning for again a mega meeting late this year or early next year.

Am home now. Today I was called to some hospital to pray with the sick. I rushed there and found a lady almost dead. She wasn't talking neither eating. The doctors had told the husband they had nothing more to do. Saints, Our Yah is faithful. Surely He will never disappoint us. I laid my hands upon her and commanded the spirit of death out. Listen to this, SHE SHOUTED AND JUMPED OUT OF THE SICK BED,! THE PEOPLE AROUND RAN OUT. SHE ASKED FOR FOOD AND ATE. THE HUSBAND, SAID TO ME, "YOUR GOD IS THE GOD OF ISRAEL" I SAID TO HIM, HIS NAME IS YAH! HE SAID, TO ME, "PLAN AND VISIT OUR REGION AND I WILL GATHER ALL BELIEVERS FOR YOU TO SPEAK TO US ABOUT WHO YAH IS. WE DON'T KNOW HIM. WE JUST KNOW "GOD" I SAID, "I WILL COME."

Praise Yah for the mighty healing

Shalom
