

A Dream given to Pamela Matos on NOV. 3,2008

This dream was 2 yrs before coming back to the faith once delivered to the Saints.

Many Christians were gathered together in an old Arena. It was old because it looked like ruins. There were shrubs and pieces of broken stone work all over the place. The color of the stones were reddish in color.

We knew we were waiting for something to happen and I remember yelling out "REJOICE", be glad, dance for joy! Then everyone did and the Holy Spirit fell on everyone and we all were speaking in tongues and praising GOD! Of course I now know his name YAHUAH! I've never seen it this way before. It was like a mass transformation. It was FIRE! Even the atmosphere was filled with this euphoria. (this is the only word I know to explain it). Then there came this voice from above saying "look at your hands", and when we did they were in the shape of tongues of fire. NOTE: It was in the shape of the SHEEN, which I knew nothing about until 2yrs. Later after coming into Hebrew understanding. This voice said, "this is not just for you to experience feeling of excitement but to make war". All of a sudden the sky was filled with Helicopters big and small with large missiles. We all ran behind rocks and in some **large openings** in **walls**. I said, "get on the ground. The missiles were being shot all over the place and some in strategic places **higher up in the arena**. They were shooting but missing their targets! We used our hands to signal to each other and that kept us safe, as our hands are the only thing we could use because the noise of the helicopters were so loud. They could not reach their intended target.

**2Sa 22:35** He teacheth my hands to war; so that a bow of steel is broken by mine arms.  
**Psa 18:34** He teacheth my hands to war, so that a bow of steel is broken by mine arms.  
**Psa 144:1** *A Psalm of David.* Blessed *be* the LORD my strength, which teacheth my hands to war, *and* my fingers to fight:

This is not to lift up anyone or to "BRING TO PASS" any word, but to encourage all Believers in Messiah Yashua, to rejoice in the fact that he will hide his Saints and protect them in the near future. How he will bring this to pass is for him to reveal in HIS timing. This is the first time I have ever shared a vision to the body.

Shalom and Blessings in Messiah Yahshua,

Pamela Matos
