

ABBA Father,

We humbly come to you in the name above all names, YAHUSHA Messiah. We ask you to hear cry of our hearts as we come into your heavenly court praying for your mercy and grace to be extended toward us in this hour. If we have found favor in your eyes please hear our prayer. We confess our sins of rebellion against your covenant. We have turned from your right rulings and have followed the way of unjust weights and measures. We have followed the way of our forefathers and have played the harlot with the unElohimly religious systems and have committed adultery with other Elohim. We are a people of unclean lips and dwell among a people of unclean lips. We repent for our forefather's sins and our sins. Your commandments are pure and a delight to us. We are pained in our hearts to see the injustice done to the innocents. It is to the point that we are desperate for your right rulings to be manifest in the earth. All your ways are straight and pure and we long for your Kingdom to come, your will be done on earth as it is in Heaven. Forgive us Abba for your names sake. Please turn your face toward your people once again. This is the cry of our heart! **You are our LIFE!** There is no other way. We pray that we would be found worthy to escape the hordes of evil and to stand before you. Please **DELIVER** us from those who would seek to destroy those who you have raised up to declare **your Kadosh Name** and to unwaveringly walk according to your **RIGHT RULINGS** in the midst of a crooked and perverse generation. We ask you to speak to our children and grandchildren and cause them to look to you the **ONLY WISE ELOHIM**. We pray that you open their eyes and grant repentance as you show them their need to return to you. Thank you Father for your great love. In Yahusha's name. Amen
