Vision of protection in the Wilderness

I dreamed that I was talking to Caleb and my husband. We were in a house and having a conversation about how Yahusha would take care of us in the future. Caleb said even if we ate bird seed from the feeders we would have something to eat. Then the scene changed and there were hundreds of people men, women, and children, walking through a forest on a pathway. It was very calm! No one was talking but just following the path with perfect peace on them. I saw Yahusha going ahead of them and putting different kinds of berries and seeds and some other types of food that grew naturally along the path. What was very interesting is the fact that no one saw Him as he went ahead of them and put the food, or caused it to grow, along the path. He would come out of the forest onto the path, then go back into the forest. This happened all the way to our destination. Along the path there were animals such as Lions, bears, dogs,(wolves) and others. At one point a Lion roared in the face of a little child and the child just looked at it and kept going. The Lion couldn't do anything but roar! The child had a perfect calm. Everyone just kept walking, following the path that was going through the forest. It was the most peaceful scene I ever saw. It was so obvious the love and care Yahusha had for us all! He would just come out of the Forest onto the path way ahead of us and caused things to grow, and we just ate and were protected as we walked. No one was quarreling or crying but very calm. We knew that things were going on in the outside world but we weren't concerned about it! Although we knew Yahusha was providing for us we didn't see him. We just kept walking and as we walked, provision was all along the path. This dream was a dream within a dream. I dreamed that I was dreaming! It was in full color just as if I were watching a movie on a huge screen! As I was watching it I was saying to some people did you see that? I have NO fear anymore about the divine protection of all of the people of Yah through the great tribulation period. HalleluYah!

It is very interesting that Caleb said that even if we ate bird seed Yah would give to us we would not go hungry! Reminds me of the scripture where Yahusha said

Mat 6:25 Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?

Mat 6:26 Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?

Mat 6:27 Which of you by taking thought can add one cubit unto his stature?

Mat 6:28 And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin:

Mat 6:29 And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these.

Mat 6:30 Wherefore, if Elohim so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith?

Mat 6:31 Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?

Mat 6:32 (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things.

Mat 6:33 But seek ye first the kingdom of Elohim, and his righteousness; and all these things shall be added unto you.

Mat 6:34 Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day *is* the evil thereof.
