

## **A sequence of events that will take place soon!**

**A prophetic dream given to one of our group members.**

**My Husband and I were standing on a cliff overlooking the ocean. All was calm. Then as we looked further out we saw a huge swell of water rising. It never capped into a wave but remained a large body of water rapidly moving toward the shore. As we looked toward the shore we noticed that there were men that were dressed in business suits in the water talking to one another. They turned and saw the huge swell of water coming their way. They said to one another “ we will be able to ride this one out”! They all then positioned themselves to ride on the swell of water. They stood with their backs to the swell and stretched out their arms to ride the wave. The scene changed and all we could see were dead bodies laying in the water.**

**As we looked out into the ocean we saw the water in turmoil, almost as if someone took an egg beater and stirred up the water. There were no calm places at all in that scene.**

**As we turned to look out again into the ocean we saw a HUGE WAVE that literally filled the whole ocean. There were no words to describe the immensity of that wave! Total destruction!**

### **INTERPRETATION:**

**What was made to understand was that:**

- 1. The first wave was the destruction of the Stock Market, The men were the Stock Brokers. They truly thought that they could ride out the coming collapse. This of course was a great deception.**
- 2. The second wave was social unrest, such as has never been seen before, even when the stock market collapsed in the 20's and 30's.  
Riots, looting, burning of buildings, murders, and suicides.**

**The third wave was WAR!  
Complete devastation!**

**There was not given a specific time this would come to pass but it was made known that it would be in the near future. This dream was given in 2010. The signs are now at hand, and we have understood as well that we would be told to go to a place prepared for safety and that Yahuah would take care of those who were obedient to his direction. The SIGNS are showing the TIME we are presently living in.**

Luk 21:25 And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; **the sea and the waves roaring;**

Luk 21:26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.

Luk 21:27 And then shall they see the Son of man coming in a cloud with power and great glory.

Luk 21:28 And when these things **BEGIN** to come to pass, **then look up,** and **lift up your heads;** for **your redemption draweth nigh.**

We need not fear, but rejoice as we see the day approaching! Now is the time to reach out to those that need to hear the TRUTH and as Yah enables us by the Ruach Ha Kodesh, the Holy Spirit, to boldly speak the TRUTH in LOVE to so many that are hungry for the TRUTH.

Shalom, in the name of Yahusha!
