

Dream # 1

August 25, 2020

In this dream I was in a basement of a house of sorts and was cleaning it. I was preparing and cleaning all the stuff that I didn't want or need, to be taken out of the house. I knew there was going to be a lot of people coming to a dinner that was going to be served. There were a lot of Cob Webs there, and things that had been "stored up" there, but were not things that were needed by anyone, in particular, ME! I just got done cleaning the house in the nick of time! REPENT!

Dream #2

In this dream I was getting a room ready for a group of people who were interested in and being a part of the Saints. I was to speak to the group and share what Yahuah was doing in this gathering of the Saints. I talked about the things that weren't right in the eyes of Yah concerning different ways of believing HIS ways! The people there were all very excited and seemed to love one another and in one accord. Some of the things I said about what Yah would NOT tolerate in the group and his people, made some of the people mad, outraged, and they left. Only a few people were left.

INTERPRETATION (to the best of my understanding):

This is a repeat of the Exodus when Moses led the people out of Egypt! Yah gathered Yahsharel and brought them out. When things didn't go the way they expected, they grumbled and complained against Moses (in reality they were complaining against Yahuah!) They were purged out of the camp of the Righteous. What was will be! There is no NEW thing under the sun! If we complain now, we WILL COMPLAIN then, in the wilderness! If we have grudges now against anyone, unforgiveness, a haughty spirit, a condemning spirit, Actually, a spirit of murder, WE will be purged! Repent now and reject ALL evil thinking! Learn to love one another, be patient with one another, give grace, forgive when accused, no proud spirit, but humble ourselves, then Yah will lift us up and HE will be GLORIFIED in HIS PEOPLE!

This is the time to repent and not allow a complaining spirit and evil speaking of anyone! Yah knows those that are His! He will not "put up" with division and evil speaking! It is time to deal with our hearts and ask Yah to purge us from ALL these things. WHAT WAS WiII BE!!

REPENT!!!

P.S. At exactly at 9:42 a.m. when I went up on E SWORD, the Strongs # H905 came up by ITSELF! The word was BAD- meaning properly Separation: by implication a

Part of the Body, branch of a tree, bar for carrying { with a prepositional prefix} as adverb, apart, only, besides, alone, bar, besides, branch, by self, of each alike, except, only, part, staff, strength!

As I was looking for a scripture, I went to E Sword again and this Scripture popped up without my selecting ANY Scripture! This was confirmation of what the dream was all about! ALL PRAISE AND GLORY TO YAHUAH!

Dream # 1: This dream was for ME personally. Yah showed me that I needed to repent and cleanse myself by the Ruach Ha Kodesh, of ALL that I was guilty of! He is now doing this with ALL of his people. Those who don't submit to this cleansing will be a part of those that leave. Help us Yahuah to be true to YOU and ourselves and our Brothers and Sisters! REPENT!

The 2nd Dream is for the Body, the Whosoever Wills, to repent and Return to the simplicity of following Yah and those HE chooses to lead his people in the wilderness OF the peoples!

This was made clear that this time is "at hand" REPENT!

If we grumble in the Darkness it will come to pass in the light!

1 Don't allow the Enemy or our own flesh to entertain thoughts not in accord with Yah's commandments. The mouth speaks what is in the heart!

#2 Take every thought captive. 2nd Cor. 10:

Casting down imaginations and every high thing that exalts itself against the knowledge of Yah, and bringing into captivity every thought to the obedience of Yahusha!

#3 Grumbling against those that Yah has chosen to lead!

Exodus 16:2 And the whole congregation of the children of Yahshar-el murmured against Moses and AARON in the wilderness! WHAT WAS, WILL BE!

Exodus 17:3, Exodus 15:24, Exodus 16:2 Matt 25:40

If we grumble now WE WILL GRUMBLE THEN! REPENT!
