A TURNING COMING VERY SOON!

Yah is calling us to REPENTANCE of all things we thought were good, and Yah is calling us to repentance and to keep our hearts right and our eyes open and also our ears, to hear what the Ruach is speaking in this "time of Trouble!"

Things will Vastly Change in a "very short time" and we must learn to navigate what lies ahead! It is time to ask Yah to search our hearts and bring correction, just as a good Father corrects us in the flesh! We are about to pass from our present circumstances to the REALITY of Yah's Kingdom IN US! It is time to look FORWARD and not BACK! We must walk in step with Yah's ways for the Very near future! We as HIS BODY must know that we are ONE BODY just as the Father, Son, and the Ruach are in step with each other. We are about to enter a NEW dimension, YAH's Kingdom, through much tribulation! We must recognize that Yah's plan is to bring us in HIS KINGDOM--- A GLORIOUS NEW LIFE!
