

Praise Yah. I have seen the Lord use RtLH on a higher level over there. I believe it's coming. He started gathering His people around you dear ones for a divine touch and learning. I pray in the mighty name of Yahusha that He will cause, by His Spirit, a hunger only to be quenched by what He alone offers. Thank you Lord. Let's trust Him for what He said. Let's love Him for who He is. Let's praise Him for the wonderful works done by Him. Now in prayers for the Fri. trip.

Love you,
Jacob
