- The Jubilee count since the Israelites crossed the Jordan.
- 120 Jubilees since Adam.
- Yahusha might have been 20 years old when he read from Isaiah Chapter 61.
- At this time, we believe this could be the best Jubilee timeline.
- This could have been a Jubilee year found in the Ceper.
- The possible 50th Jubilee when the Israelites crossed the Jordan. (Jubilee 50:4)

Wherefore I have ordained for you the year weeks and the years and the jubilees:  
there are forty nine jubilees from the days of A'dam until this day, and one week and two years:  
and there are yet forty years to come for learning the commandments of Yahuah,  
until they pass over into the land of Kena'an, crossing the Yarden to the west.
